

# PRESTIGE LEADERSHIP ADVISORS

*"Innovation is very adventurous. The future is uncharted territory. With tools to navigate and a competent team to get there through inspiring leadership, any ethical, purpose-driven organization can make its future vision come to fruition"* Joe Yazbeck

Joe Yazbeck; Founder & President

Joe Yazbeck is the Founder and President of Prestige Leadership Advisors whose mission is to train, facilitate and advise executives and leaders in business, community and public service in becoming dynamic, confident and powerful communicators, so they can positively influence the world around them. Joe Yazbeck and his leadership advisory team have worked with heads of state to leaders of major corporations as well as high-ranking military officers, political candidates to best-selling authors.

Joe Yazbeck is a highly sought-after leadership and communications coach. Government and business leaders around the globe seek his counsel and his company's services at critical times such as PR and strategic direction, media communications training for launching a new brand, product or service, influencing board members and company team members, speaking to government committees,

winning a political campaign, launching an author, creating a successful exit strategy - all programs pointing in the direction of supporting professionals to become highly respected, reputable and widely recognized authorities in their industries.

To compliment the services of Prestige Leadership Advisors, Joe is an internationally published best-selling author of "No Fear Speaking : High Impact Presentation Skills and Public Speaking Secrets to Inspire and Influence Any Audience" and has created the No Fear Speaking Training System which offers a host of leadership communications service includes executive level speaker training, on-camera training, negotiation skills, media presentations for webinars, podcasts and traditional radio and TV, sales presentations and addressing small to large audiences as a paid keynote speaker.

Meeting with US Senator Marco Rubio

Best selling book "No Fear Speaking"

His best-selling book is available in seven additional languages including Spanish, Russian, German, Hungarian, Chinese, Slovakian and Czech.

In addition to the Leadership Communications programs the company offers, Prestige Leadership Advisors offers publishing services for aspiring and current authors as well as PR and branding support for clients interested in raising their brand value and increasing their positive image and reputation.

These training programs are delivered through introductory and major workshops, personalized one on one coaching, online training and special customized corporate training programs for

*"The most effective and inspiring leaders happen to be confident, dynamic speakers; and to get there, it takes competent, professional training!"* Joe Yazbeck

*"My decision to mentor someone always includes evaluating that person's willingness to positively influence others and create improved conditions around them. It is a joy helping people whose purpose is helping others. Work should be joyful!"* Joe Yazbeck

Seminar in St Petersburg, Russia

Spanish version

*"I find that you build and grow an organization with more effortlessness teaming up with purposed individuals. To me, purpose is everything. It is an impassioned, driven, intentional and inspired individual who is fully present and invested in the game of winning to the finish line. You can tell just by looking who has their "purpose on". Imagine an entire team dedicated to its purpose!! What a fun and exhilarating illustration of hard work paying off where everybody wins!!"*  
Joe Yazbeck

executives and staff. Training the trainer programs are also available from a specialized skilled team of trainers using Joe Yazbeck's successful system.
